93  **E Minor** "Take a step" - Be free not rigid in your movement. No habitual movement.

97  **C Major** balance body = supported sound

You may also want to consider if you are playing in the **Baroque, Classical or Romantic** Style for Trilling.

This will effect if you start **from the note above on the beat** or not.

See **Baroque, Classical or Romantic** style for more information about trills and musical Styles.

Be like a bird, soar and sing your trills with grace and energy!
